“Summer Camp Update”

Restore's Summer Camp has accomplished yet another fantastic summer for children and youth with the cooperation of Elizabethport Presbyterian Center, Incredible Days Group, Institute of Music for Children, City of Elizabeth, Parents, Staff, and the valuable support of Restore's Donors.

With the kind financial support this summer, children could go on the following field trips: Six Flags - Great Adventure, Roller Skating, Bowling, Movie theater, and the Turtle Back Zoo .

The hybrid program allowed our participants to engage in enrichment topics while learning teambuilding activities and enjoying fun-filled field trips.

Thank you all!
Ms. Ximena Carrasco
